# OUR VENUE & BOODEREE NATIONAL PARK

Booderee National Park is a place of great history and contrast. Towering sandstone coastal cliffs guard rainforests and eucalypt forests from the awesome might of the ocean. Tranquil waterways are a short walk through coastal heath from surfing beaches. Booderee National Park offers the opportunity for many recreational activities in a magnificent unspoiled setting.

The area of Jervis Bay was entered onto the Register of the National Estate in 1993 in recognition of its outstanding landscape features, its diversity of flora, fauna, archaeological sites and its value to past and present communities for recreational activities.

The Cove sits on the edge of the National Park and is spoiled with its stunning ocean views and access to the Inlet.

The sound of the ocean replaces the noise of traffic; native wildlife abounds as kangaroos hop through the grounds and colourful parrots skim through trees; the backdrop is forest, not buildings.

It the perfect place to bring your family & friends and to *tie the knot* with the one you love.
